Assistant Professor
 Department of Sociology
 University of Groningen

Grote Rozenstraat 31
 9712 TG Groningen
 The Netherlands

Education

PhD Evolutionary Social Psychology

2008-2013 University of Groningen, Groningen, The Netherlands
Degree: PhD, March 21st, 2013, *cum laude*
Title: Sex, Stature and Status - Natural selection on height in contemporary human populations
Supervisors: Professor AP Buunk & Professor S Verhulst

MSc Research master Behavioural and Cognitive Neurosciences

2006-2008 University of Groningen, Groningen, The Netherlands; Cambridge University, Cambridge, UK
Degree: MSc, August 29th, 2008, *cum laude*
Title: Quiet as a Mouse - Western scrub-jays conceal auditory information when competitors cannot see
Supervisors: Professor S Verhulst & Professor NC Clayton

BSc Artificial Intelligence

2002-2006 University of Groningen, Groningen, The Netherlands
Degree: BSc, *with honour*
Title: Antonymy in contrast relations
Supervisors: Dr J Spenader

Professional experience

Postdoctoral researcher

2016-now University of Groningen, Groningen, The Netherlands
 Department of Sociology
 2014-2016 London School of Hygiene & Tropical Medicine, London, United Kingdom
 Department of Population Health
 2013-2014 University of Groningen, Groningen, The Netherlands
 Department of Sociology

Researcher / Teacher

2011-2012 University of Groningen, Groningen, The Netherlands
 Department of Social Psychology

Grants & Awards

2017 Became member of the Young Academy Groningen.
 2016 NWO's VENI three-year post-doctoral fellowship to work at the University of Groningen
 2015 European Human Behaviour and Evolution Association New Investigator Award 2015
 2013 NWO's Rubicon two-year post-doctoral fellowship to visit London School of Hygiene & Tropical Medicine
 2012 International Society of Human Ethology's Linda Mealey Award for Young Investigators
 2012 Best poster award at the International Society of Human Ethology (ISHE) conference 2012
 2011 Best poster award at the International Society of Human Ethology (ISHE) conference 2011
 2008 Grant from Dr. Hendrik Muller's Vaderlandsch Fonds to conduct research at Cambridge University

Teaching

Courses

2016-2018	Statistics 1B	Teacher.
2016-2018	Starting your first paper	Together with Professor R Veenstra and Dr. G Lodder
2013	Statistics 4	Teacher and coordinator.
2013	Human Behavioural Biology	Coordinator, together with Professor AGG Groothuis.
2012	Capita Selecta in Evolutionary Psychology	Teacher and coordinator.
2011	Evolutionary Psychology of Interpersonal Processes	Teacher and coordinator.

Supervision of PhD-candidates

2017-now	Ru Li: Reproductive decision-making in contemporary low-fertility China: a comparative, multi-study approach
2016-now	Renske Verweij: Genetic and social influences on childlessness

Supervision of students

2017	Ondervoeding en de sociale omgeving. Miriam de Vries (MSc. thesis)
2017	Various subjects. M.van Boheemen, M. Mulder, M. Oenema (thesis schakeljaar)
2012	Sex differences in risk taking behaviour among Dutch cyclists. F Laan (MSc. thesis)
2012	Tall claims? The role of height in interpersonal dominance. W Akkerman, W van der Bijl, T Kordsmeyer, M Postma, RPE Rutten, LD de Vos (BSc. thesis)
2011	Handedness in sports. V Neddermeijer (MSc. thesis)
2011	Human mate choice copying. S Wiersema, A Looijmans (MSc. thesis)
2011	Social status and the perceptual distortion of height. N Kattenbeck, LK Kleinebecker, J Yarzagaray (BSc. thesis)
2010	Height, mate choice, and perceptions of dominance. LAGM de Jong, K Wellen, M Wiersum, A Peck, C Schnelker (BSc. thesis)
2009	Differences in age, height, and social status between partners. R Willems, A van der Bijl, C de Groot, P Santing (BSc. thesis)
2009	Father absence and age of menses - a meta-analysis. A Wulff, N Bouwman, FTA Wemes (Honour student research project)
2008-2014	Various subjects. C Veenker, J Alkema, M Smedinga, A Verhallen, S van Donk, S Chernowitz (minor thesis)

Lectures

2017	(hoe niet te) liegen met grafieken for 'college carousel' (high-school students) and honours students
2016-2017	A biosocial approach to human behaviour and health for course Medical Sociology. Coordinator: Professor BJM Steverink.
2014-2015	Math refresher lecture for MSc students at London School of Hygiene & Tropical Medicine
2012-2014	Lecture on Evolution in modern society for course Human Behavioural Biology. Coordinator: Professor AGG Groothuis.
2011-2014	Lecture on Sexual selection and height for course Human Behavioural Biology. Coordinator: Professor AGG Groothuis.
2011-2012	Lecture on The biology of language for course Social Psychology of Communication. Coordinator: Professor A Dijkstra.
2009	Lecture on Mate choice for course Evolutionary Psychology of Interpersonal Processes. Coordinator: Dr. TV Pollet.

Practicals

2015-2016	Contributed to several practicals for Research Design & Analyses. Coordinators: Dr. Emma Slaymaker & Dr. Kathy Baisley
2014-2015	Contributed to several practicals for Statistics for Epidemiology and Population Health. Coordinator: Professor Phil Edwards
2012	Helped organize practical for course Human Behavioural Biology. Coordinators: Professor AGG Groothuis and Dr BJ Riedstra.
2009-2012	Helped organise practical for course Brain and Behaviour. Coordinator: Professor AGG Groothuis.
2008-2012	Helped organise practical for course Diversity in Ecology and Behaviour. Coordinator: Professor AGG Groothuis.
2009-2012	Supervisor in course Behavioural Biology Research. Coordinators: Professor S Verhulst and Dr C Dijkstra.

Other

2006 Student-assistant Contemporary Linguistics
2005-2006 High-school Mathematics tutor

Presentations

Invited talks

2017 *An evolutionary perspective on the association between wealth and fertility.*
Seminar at Dutch Demographic Institute NIDI, the Hague

2017 *Crossing the Rubicon.* Seminar for the grants week, University of Groningen, the Netherlands

2016 *A career in science: hard work and sacrifice (or not?).*
Seminar for the Behavioural and Social Sciences PhD day 2016, University of Groningen, Groningen

2015 *Wealth, fertility, and adaptive behaviour.* Sociology Seminar at Oxford University, UK.

2015 *Wealth, fertility, and adaptive behaviour.* NESCent workshop "Integrating evolutionary models of human fertility change", Durham, US.

2015 *Modern human adaptiveness: stone-age minds or ideas?* Archaeology and Anthropology Seminar at the University of Bristol, UK.

2015 *Modern human adaptiveness: stone-age minds or ideas?* Behavioural Biology Seminar at the University of Bristol, UK.

2015 *Evolutionary Adaptations and Unexplored Assumptions: questioning the mismatched stone-age mind* Plenary at European Human Behaviour and Evolution Association conference 2015, Helsinki, Finland.

2015 *Modern human adaptiveness: stone-age minds or ideas?* Language and Social Interactions Group at the University of Glasgow, UK.

2015 *Modern human adaptiveness: stone-age minds or ideas?* Anthropology Seminar at Durham University, UK.

2015 *Modern human adaptiveness: stone-age minds or ideas?* Biological Anthropology Seminar at University of Kent, UK.

2014 *Understanding (mal)adaptive fertility.* Life History and Ethology Group Seminar at the University of Lethbridge, Canada.

2014 *Modern human adaptiveness: behavioural or theoretical mismatch?* Evolutionary Anthropology Seminar at the University College London.

2013 *Sex, Stature and Status - Natural selection on height in contemporary human populations.* Dutch post-conference of the European Human Behaviour and Evolution Association conference 2013, Amsterdam, the Netherlands.

2014 *Statistics 101: a crash course in statistics, or, stats are fun ($p < 0.05$).* Lecture for the Groningen Organization for PhD Education and Recreation, the Netherlands

2013 *Sex, Stature and Status - Natural selection on height in contemporary human populations.* University of Groningen, Centre for Behaviour and Neurosciences, the Netherlands.

2012 *Natural selection on height in contemporary human populations.* Newcastle University, Centre for Behaviour and Evolution, UK.

2011 *Modern humans: Evolved, but not evolving?* University of Groningen, life-sciences student association GLV Idun (Groninger Levenswetenschappenvereniging Idun), the Netherlands.

2011 *Life after a research master.* University of Groningen, Behavioural and Cognitive Neurosciences, the Netherlands.

2010 *Are we cave men in the modern world?* University of Groningen, Opening of the academic year of the faculty of Behavioural and Social Sciences, the Netherlands.

Conference presentations

2017 Stulp, G, Barrett, L, Facett, T., Pollet, TV. Visualising differences in visualisations across the behavioural sciences. Human Behavior and Evolution conference 2017, Boise, US.

2016 Stulp, G, Sear, R. & Barrett, L. Understanding the reproductive ecology of industrial society. Human Behavior and Evolution conference 2016, Vancouver, Canada.

2015 Stulp, G & Barrett, L. Wealth, fertility, and adaptive behaviour. Human Behavior and Evolution conference 2015, Columbia, US.

2014 Stulp, G. Modern human adaptiveness: behavioural or theoretical mismatch? International Society of Human Ethology conference, Belem, Brazil.

2014 Stulp, G, Mills, MC, Tropf, F, & Barrett, L. Pushing the limits: natural selection favours taller stature among the tallest people on earth. Human Behaviour and Evolution conference 2014, Natal, Brazil.

2014 Stulp, G, Mills, MC, Tropf, F, & Barrett, L. Pushing the limits: natural selection favours taller stature among the tallest people on earth. European Human Behavior and Evolution Association conference 2014, Bristol, UK.

2013 Stulp, G & Mills, MC. Does wealth affect reproductive success, and if so, how? EvoDemoS 2013 – Evolutionary Demography Society conference, Odense, Denmark.

2013 Stulp, G, Buunk, AP, Kuijper, B, Pollet, TV & Verhulst, S. Intralocus sexual conflict over human height. Behaviour 2013 - International Ethological Conference, Newcastle, UK.

2012 Stulp, G, Buunk, AP, Verhulst, S & Pollet, TV. Is human height related to intra-sexual competition? International Society of Human Ethology conference 2012, Vienna, Austria. * Prizewinning talk

Conference presentations

- 2011 Stulp, G, Buunk, AP, Pollet, TV & Verhulst, S. Is human body size related to dominance and intra-sexual competition? International Society of Human Ethology conference 2011, Prague, Czech Republic.
- 2011 Stulp, G, Buunk, AP & Verhulst, S. Mutual mate choice results in couples where preferences of neither sex are optimally satisfied. Human Behavior and Evolution conference 2011, Montpellier, France.
- 2011 Stulp, G, Pollet, TV, Verhulst, S, Nettle, D & Buunk, AP. Similarities and differences between partner height preferences and actual partner heights. European Human Behaviour and Evolution Association conference 2011, Giessen, Germany.
- 2010 Stulp, G, Verhulst, S, Pollet, TV, & Buunk, AP. Battle of the sexes: intra-locus sexual conflict over height. Human Behavior and Evolution conference 2010, Eugene, US.
- 2010 Stulp, G, Verhulst, S, Pollet, TV, & Buunk, AP. Battle of the sexes: intra-locus sexual conflict over height. European Human Behaviour and Evolution Association conference 2010, Wroclaw, Poland.
- 2009 Stulp, G, Pollet, TV, Verhulst, S & Buunk, AP. Tall men fall short. European Meeting of PhD Students in Evolutionary Biology 2009, Schoorl, the Netherlands.
- 2009 Stulp, G, Pollet, TV, Verhulst, S & Buunk, AP. Tall men fall short. Human Behavior and Evolution conference 2009, LA, US.
- 2009 Stulp, G, Pollet, TV, Verhulst, S & Buunk, AP. Tall and handsome, but mostly rich? European Human Behaviour and Evolution Association conference 2009, St. Andrews, UK.
- 2008 Stulp, G, Emery, NJ, Verhulst, S & Clayton, NS. Quiet as a mouse: do western scrub-jays conceal auditory information when competitors cannot see? Groningen Interdisciplinary Evolution Group symposium 2008, Ezinge, the Netherlands.

Poster presentations

- 2012 Stulp, G, Buunk, AP, Verhulst, S & Pollet, TV. Tall claims? The importance of height of US presidents. International Society of Human Ethology conference 2012, Vienna, Austria. * Prizewinning poster
- 2012 Stulp, G, Buunk, AP & Verhulst, S. You can't always get what you want: mutual mate choice results in couples where preferences of neither sex are optimally satisfied. European Human Behaviour and Evolution Association conference 2012, Durham, UK.
- 2011 Cobey, KD, Stulp, G, Wiersema, S, Looijmans, A, Buunk, AP & Pollet, TV. Social cues influence mate preferences. International Society of Human Ethology conference 2011, Prague, Czech Republic. * Prizewinning poster
- 2011 Stirrat, M, Stulp, G & Pollet, TV. Bitygomatic width is associated with death by contact violence in a forensic sample: Narrow-faced males are more likely to die from contact violence than wide-faced males. Human Behavior and Evolution conference 2011, Montpellier, France.
- 2007 Simons, MJP, Stulp, G, Pfannkuche, KA, Groothuis, AGG & Riedstra, B. Social mediation of light-induced behavioural lateralisation in the domestic chick. Annual conference of the Dutch Society for Behavioral Biology 2007, Dalfsen, the Netherlands.
- 2007 Simons, MJP, Stulp, G & Scheurink, AJW. NEAT, personality and weight gain in rats. 6th Dutch Endo-Neuro-Psycho Meeting 2007, Doorwerth, the Netherlands.
- 2007 Stulp, G, de Boer, SF & Koolhaas, JM. Plasticity of coping styles: effect of repeated social victory and defeat 6th Dutch Endo-Neuro-Psycho Meeting 2007, Doorwerth, the Netherlands.

Other Professional Experience

Conference organisation

- 2016 Lead organiser of the European Human Behaviour and Evolution Association conference 2016, London, UK.

Workshop, Seminar, and Symposium Organisation

- 2017 Organised the event Opening up Science: A Debate on Scientific Transparency and Reproducibility with Rosanne Hertzberger with the Young Academy Groningen
- 2017 Gave workshop on visualizing data in R with ggplot for Centrum voor Informatie Technologie from the University of Groningen.
- 2017 Contributed to a round table discussion on a career in the humanities and social sciences for the PhD day University of Groningen
- 2017 Gave workshop on visualizing data in R with ggplot at the International Society for Human Ethology 2017 conference, Boise, US.
- 2017 Invited participant of Hanse-Wissenschaftskolleg Delmenhorst workshop "Advancing life course theories and methods: key challenges and solutions", Delmenhorst, Germany.
- 2015 Organised the symposium Evolutionary insights into "maladaptive" fertility: constraints, conflict and cooperation at the Human Behavior and Evolution conference 2015, Columbia, US.
- 2015 Invited participant of NESCent workshop Integrating evolutionary models of human fertility change, Durham, US.

Workshop, Seminar, and Symposium Organisation

- 2015 Organising the monthly Evolutionary Demography Seminar at the London School of Hygiene & Tropical Medicine.
- 2012 The Kurt Lewin Institute interpersonal processes research meeting, 2012, Utrecht University, Utrecht, the Netherlands.
- 2009 Organised the GRIEG (Groningen Interdisciplinary Evolution Group) symposium, 2009. University of Groningen, the Netherlands.

Editorial work

- 2017 Member of the Program Committee for the Human Behavior and Evolution Association Conference 2018
- 2015 Member of the grant committee for the European Human Behaviour and Evolution Association.
- 2014 Member of the grant committee for the International Society for Human Ethology.
- 2013 Member of Editorial Board of Frontiers in Evolutionary Psychology and Neuroscience.
- 2013-2016 Member of Editorial Board of Evolutionary Behavioral Sciences
- 2013-2016 Member of Program Committee for the International Society for Human Ethology Conference 2013 and 2014.

Reviewing

Anthropologie - International Journal of the Science of Man; Annals of Human Biology; Animal Behaviour; Behaviour; Behavioral Ecology; Behavioral Ecology and Sociobiology; Body Image; European Journal of Social Psychology; European Sociological Review; Economics & Human Biology; Evolution; Evolution and Human Behavior; Evolution, Mind and Behaviour; Evolutionary Psychology; Gedrag & Organisatie; Human Ethology Bulletin; Human Nature; International Journal of Psychology; Journal of Social, Evolutionary and Cultural Psychology; Marriage & Family Review; PeerJ; Philosophical Transactions of the Royal Society B; Psychology & Neuroscience; Proceedings of the Royal Society B; Social Psychology; Trends in Ecology & Evolution

Dissemination of Research Findings to the General Public

I have given many interviews for national (e.g., NRC, Volkskrant) and international media (e.g., BBC, NBC, The Independent, DailyMail), including national radio interviews (Hoe? Zo!radio Radio 538) and regional TV-appearances (OogTV). I have also written about my work for a football website, for a Dutch psychology magazine (in-mind magazine), and for a Dutch sociology magazine (sociologie magazine). I have also given presentations about statistics to the general public, and did evolutionary myth busting at an arts festival. See www.gertstulp.com/media for more information.

Skills & Other Activities

- Fluent in Dutch and English
- Expertise in statistics and visualisation and statistical computer programmes SPSS and R
- Knowledge of programming languages Java and Prolog
- 2007-2008 Member of Educational Committee, Behavioural and Cognitive Neurosciences.
- 2005-2006 Youth soccer trainer and coach (Groninger soccer club 'SV Lycurgus').

Publications

Peer-reviewed publications (international)

- 43 Tropf, FC, Lee, SH, Verweij, RM, **Stulp, G**, van der Most, PJ, de Vlaming, R, Bakshi, A., Briley, DA, Rahal, C, Hellpap, R, Iliadou, AN, Esko, T, Metspalu, A, Medland, SE, Martin, NG, Barban, N, Snieder, H, Robinson, MR & Mills, MC. (2017). Hidden heritability due to heterogeneity across seven populations. *Nature Human Behaviour* 1, 757–765
