www.gertstulp.com

Assistant Professor Department of Sociology University of Groningen Grote Rozenstraat 31 9712 TG Groningen The Netherlands

# **Education**

# PhD Evolutionary Social Psychology

2008-2013 University of Groningen, Groningen, The Netherlands

Degree: PhD, March 21st, 2013, cum laude

Title: Sex, Stature and Status - Natural selection on height in contemporary human populations

Supervisors: Professor AP Buunk & Professor S Verhulst

# MSc Research master Behavioural and Cognitive Neurosciences

2006-2008 University of Groningen, Groningen, The Netherlands; Cambridge University, Cambridge, UK

Degree: MSc, August 29th, 2008, cum laude

Title: Quiet as a Mouse - Western scrub-jays conceal auditory information when competitors cannot see

Supervisors: Professor S Verhulst & Professor NC Clayton

### **BSc Artifical Intelligence**

2002-2006 University of Groningen, Groningen, The Netherlands

Degree: BSc, with honour

**Title**: Antonymy in contrast relations

**Supervisors**: Dr J Spenader

# Professional experience

	٠.			•	
Ass	ısta	nt	pro	fesso	٦r

2018-now University of Groningen, The Netherlands; Department of Sociology

### Postdoctoral researcher

2016-2018 University of Groningen, The Netherlands; Department of Sociology

2014-2016 London School of Hygiene & Tropical Medicine, United Kingdom; Department of Population Health

2013-2014 University of Groningen, The Netherlands; Department of Sociology

## Researcher / Teacher

2011-2012 University of Groningen, The Netherlands; Department of Sociology

# **Grants & Awards**

2018	Nominated for the New Scientist Wetenschapstalent 2018
2017	Became member of the Young Academy Groningen.
2016	NWO's VENI three-year post-doctoral fellowship to work at the University of Groningen
2015	European Human Behaviour and Evolution Association New Investigator Award 2015
2013	NWO's Rubicon two-year post-doctoral fellowship to visit London School of Hygiene & Tropical Medicine
2012	International Society of Human Ethology's Linda Mealey Award for Young Investigators
2012	Best poster award at the International Society of Human Ethology (ISHE) conference 2012
2011	Best poster award at the International Society of Human Ethology (ISHE) conference 2011
2008	Grant from Dr. Hendrik Muller's Vaderlandsch Fonds to conduct research at Cambridge University

#### **Teaching** Courses 2019 Minor Data Wise: data science in society Coordinator and teacher. 2018 Statistics 1A Teacher. 2016-2018 Statistics 1B Teacher. 2016-2018 Starting your first paper Together with Professor R Veenstra and Dr. G Lodder. 2013 Statistics 4 Teacher and coordinator. Coordinator, together with Professor AGG Groothuis. 2013 Human Behavioural Biology 2012 Capita Selecta in Evolutionary Psychology Teacher and coordinator. 2011 **Evolutionary Psychology of Interpersonal Processes** Teacher and coordinator. Supervision of PhD-candidates

2017-now Ru Li: Reproductive decision-making in contemporary low-fertility China: a comparative, multi-study approach 2016-now Renske Verweij: Genetic and social influences on childlessness

# Supervision of students

2018 Social influences on the fertility behaviour of young adults. Dorottya Kósa (MSc. thesis) 2018 Wat is de invloed van de gezinsomgeving op de kinderwens? Stella Kleinhuis (MSc. thesis) 2017 Ondervoeding en de sociale omgeving.

Miriam de Vries (MSc. thesis)

2017 Various subjects.

M.van Boheemen, M. Mulder, M. Oenema (thesis schakeljaar)

2012 Sex differences in risk taking behaviour among Dutch cyclists.

F Laan (MSc. thesis)

2012 Tall claims? The role of height in interpersonal dominance.

W Akkerman, W van der Bij, T Kordsmeyer, M Postma, RPE Rutten, LD de Vos (BSc. thesis)

2011 Handedness in sports.

V Neddermeijer (MSc. thesis)

2011 Human mate choice copying.

> S Wiersema, A Looijmans (MSc. thesis) Social status and the perceptual distortion of height.

N Kattenbeck, LK Kleinebecker, J Yarzagaray (BSc. thesis)

2010 Height, mate choice, and perceptions of dominance.

LAGM de Jong, K Wellen, M Wiersum, A Peck, C Schnelker (BSc. thesis)

2009 Differences in age, height, and social status between partners.

R Willems, A van der Bijl, C de Groot, P Santing (BSc. thesis)

2009 Father absence and age of menses - a meta-analysis.

A Wulff, N Bouwman, FTA Wemes (Honour student research project)

2008-2014

2011

C Veenker, J Alkema, M Smedinga, A Verhallen, S van Donk, S Chernowitz (minor thesis)

# Lectures

2018	Sociology and the Evolutionary Sciences for Cyclus Maatschappijtheorieën coordinated by Dr R Bosman.
2017-2018	Data visualisation in R for Statistical Seminars coordinated by Dr M Huisman.
2017-2018	(hoe niet te) liegen met grafieken for 'college carrousel' (high-school students) and honours students
2016-2018	A biosocial approach to human behaviour and health for course Medical Sociology.
	Coordinator: Professor BJM Steverink.
2014-2015	Math refresher lecture for MSc students at London School of Hygiene & Tropical Medicine
2012-2014	Lecture on Evolution in modern society for course Human Behavioural Biology.
	Coordinator: Professor AGG Groothuis.
2011-2014	Lecture on Sexual selection and height for course Human Behavioural Biology.
	Coordinator: Professor AGG Groothuis.
2011-2012	Lecture on The biology of language for course Social Psychology of Communication.

Coordinator: Professor A Dijkstra.

2009 Lecture on Mate choice for course Evolutionary Psychology of Interpersonal Processes.

Coordinator: Dr. TV Pollet.

### **Practicals**

2015-2016 Contributed to several practicals for Research Design & Analyses.

Coordinators: Dr. Emma Slaymaker & Dr. Kathy Baisley

2014-2015	Contributed to several practicals for Statistics for Epidemiology and Population Health.	
	Coordinator: Professor Phil Edwards	
2012	Helped organize practical for course Human Behavioural Biology.	
	Coordinators: Professor AGG Groothuis and Dr BJ Riedstra.	
2009-2012	Helped organise practical for course Brain and Behaviour. Coordinator: Professor AGG Groothuis.	
2008-2012	Helped organise practical for course Diversity in Ecology and Behaviour. Coordinator: Professor AGG Groothuis.	
2009-2012	Supervisor in course Behavioural Biology Research. Coordinators: Professor S Verhulst and Dr C Dijkstra.	
	Other	
2006	Student-assistant Contemporary Linguistics	

# Presentations

2005-2006 High-school Mathematics tutor

Presentations		
	Conference presentations	
2018	Stulp, G. Collecting large personal networks in a representative sample of Dutch women. Dag van de Demografie,	
	Utrecht University, the Netherlands

	US.	
2009	Stulp, G, Pollet, TV, Verhulst, S & Buunk, AP. Tall and handsome, but mostly rich? European Human Behaviour and	

Evolution Association conference 2009, St. Andrews, UK.

### Conference presentations

Stulp, G, Emery, NJ, Verhulst, S & Clayton, NS. Quiet as a mouse: do western scrub-jays conceal auditory information when competitors cannot see? Groningen Interdisciplinary Evolution Group symposium 2008, Ezinge, the Netherlands.

### Invited talks

2008

2018 Go Paleo? Evolutionary perspectives on human behaviour. Keynote at 5th Microbes in Health & Disease Science day, University Medical Centre Groningen, the Netherlands 2018 Families, Lifecourse, and Ageing Group. Talk at Lustrum Sociologie 80 jaar, Groningen, the Netherlands 2018 Interdisciplinary PhDs. Talk for the Honours College Social Association event 2018 Gezinsvorming in Nederland: sociale invloeden op de kinderwens. Talk at the NIDI-RUG Expert Meeting - Spitsuur van het leven 2018 Evolved and evolving humans: The reproductive ecology of Industrial Societies. Ecology, Evolution and Environment Seminar at Sheffield University, UK. 2017 An evolutionary perspective on the association between wealth and fertility. Seminar at Dutch Demographic Institute NIDI, the Hague 2017 Crossing the Rubicon. Seminar for the grants week, University of Groningen, the Netherlands 2016 A career in science: hard work and sacrifice (or not?). Seminar for the Behavioural and Social Sciences PhD day 2016, University of Groningen, Groningen 2015 Wealth, fertility, and adaptive behaviour. Sociology Seminar at Oxford University, UK. 2015 Wealth, fertility, and adaptive behaviour. NESCent workshop "Integrating evolutionary models of human fertility change", Durham, US. 2015 Modern human adaptiveness: stone-age minds or ideas? Archaeology and Anthropology Seminar at the University of 2015 Modern human adaptiveness: stone-age minds or ideas? Behavioural Biology Seminar at the University of Bristol, UK. 2015 Evolutionary Adaptations and Unexplored Assumptions: questioning the mismatched stone-age mind Plenary at European Human Behaviour and Evolution Association conference 2015, Helsinki, Finland. 2015 Modern human adaptiveness: stone-age minds or ideas? Language and Social Interactions Group at the University of Glasgow, UK. 2015 Modern human adaptiveness: stone-age minds or ideas? Anthropology Seminar at Durham University, UK. 2015 Modern human adaptiveness: stone-age minds or ideas? Biological Anthropology Seminar at University of Kent, UK. 2014 Understanding (mal)adaptive fertility. Life History and Ethology Group Seminar at the University of Lethbridge, Canada. 2014 Modern human adaptiveness: behavioural or theoretical mismatch? Evolutionary Anthropology Seminar at the University College London. 2013 Sex, Stature and Status - Natural selection on height in contemporary human populations. Dutch post-conference of the European Human Behaviour and Evolution Association conference 2013, Amsterdam, the Netherlands. 2014 Statistics 101: a crash course in statistics, or, stats are fun (p<0.05?). Lecture for the Groningen Organization for PhD Education and Recreation, the Netherlands 2013 Sex, Stature and Status - Natural selection on height in contemporary human populations. University of Groningen, Centre for Behaviour and Neurosciences, the Netherlands. 2012 Natural selection on height in contemporary human populations. Newcastle University, Centre for Behaviour and Evolution UK. 2011 Modern humans: Evolved, but not evolving? University of Groningen, life-sciences student association GLV Idun (Groninger Levenswetenschappenvereniging Idun), the Netherlands. 2011 Life after a research master. University of Groningen, Behavioural and Cognitive Neurosciences, the Netherlands.

# Other Professional Experience

### Conference organisation

2016 Lead organiser of the European Human Behaviour and Evolution Association conference 2016, London, UK.

# Workshop, Seminar, and Symposium Organisation

- Organised and hosted the event The Dutch National Research Agenda what's in it for me? The art of building and joining a research consortium with the Young Academy Groningen.
- 2018 Discussant in debate on Applying evolutionary reasoning to humans with Diana Fleischmann and Bettina van Hoven. Event organised by the Young Academy Groningen.
- Gave workshop on *visualizing data in R with ggplot* for Centrum voor Informatie Technologie from the University of Groningen.
- 2018 Organised workshop R for teachers for the Faculty of Behavioural and Social Sciences
- 2018 Organised workshop R for Sociologists together with Robert Krause
- 2018 Organised the Future of Funding event with the Young Academy Groningen.
- Gave workshop on visualizing data in R with ggplot at the Reproducibility & Open Science event.
- 2017-2018 Gave workshop R for Teachers for the Faculty of Behavioural and Social Sciences
- 2018 Organised the Reproducibility & Open Science event with the Young Academy Groningen.
- 2017 Organised the event Opening up Science: A Debate on Scientific Transparency and Reproducibility with Rosanne Hertzberger with the Young Academy Groningen
- Gave workshop on *visualizing data in R with ggplot* for Centrum voor Informatie Technologie from the University of Groningen.
- 2017 Contributed to a round table discussion on a career in the humanities and social sciences for the PhD day University of Groningen
- Gave workshop on *visualizing data in R with ggplot* at the International Society for Human Ethology 2017 conference, Boise. US.
- 2017 Invited participant of Hanse-Wissenschaftskolleg Delmenhorst workshop "Advancing life course theories and methods: key challenges and solutions", Delmenhorst, Germany.
- 2015 Organised the symposium Evolutionary insights into "maladaptive" fertility: constraints, conflict and cooperation at the Human Behavior and Evolution conference 2015, Columbia, US.
- 2015 Invited participant of NESCent workshop Integrating evolutionary models of human fertility change, Durham, US.
- 2015 Organising the monthly Evolutionary Demography Seminar at the London School of Hygiene & Tropical Medicine.
- 2012 The Kurt Lewin Institute interpersonal processes research meeting, 2012, Utrecht University, Utrecht, the Netherlands.
- 2009 Organised the GRIEG (Groningen Interdisciplinary Evolution Group) symposium, 2009. University of Groningen, the Netherlands.

## **Editorial work**

- 2017 Member of the Program Committee for the Human Behavior and Evolution Association Conference 2018
- 2015 Member of the grant committee for the European Human Behaviour and Evolution Association.
- 2014 Member of the grant committee for the International Society for Human Ethology.
- 2013 Member of Editorial Board of Frontiers in Evolutionary Psychology and Neuroscience.
- 2013-2016 Member of Editorial Board of Evolutionary Behavioral Sciences
- 2013-2016 Member of Program Committee for the International Society for Human Ethology Conference 2013 and 2014.

### Reviewing

Anthropologie - International Journal of the Science of Man; Annals of Human Biology; Animal Behaviour; Behaviour; Behavioral Ecology; Behavioral Ecology and Sociobiology; Body Image; European Journal of Social Psychology; European Sociological Review; Economics & Human Biology; Evolution; Evolution and Human Behavior; Evolution, Mind and Behaviour; Evolutionary Psychology; Gedrag & Organisatie; Human Ethology Bulletin; Human Nature; International Journal of Psychology; Journal of Social, Evolutionary and Cultural Psychology; Marriage & Family Review; Nature Human Behaviour; PeerJ; Philosophical Transactions of the Royal Society B; Psychology & Neuroscience; Proceedings of the Royal Society B; Social Psychology; Trends in Ecology & Evolution. In Top 3 reviewers at Behavioral Ecology in 2017. Grant reviewing for: Wellcome Trust

# Dissemination of Research Findings to the General Public

I have given many interviews for national (e.g., NRC, Volkskrant) and international media (e.g., BBC, NBC, The Independent, DailyMail), including national radio interviews (Hoe? Zo!radio Radio 538) and regional TV-appearances (OogTV). I have also written about my work for a football website, for a Dutch psychology magazine (in-mind magazine), and for a Dutch sociology magazine (sociologie magazine). I have also given presentations about statistics to the general public, and did evolutionary myth busting at an arts festival. See <a href="www.gertstulp.com/media">www.gertstulp.com/media</a> for more information.

# **Skills & Other Activities**

Fluent in Dutch and English

Expertise in statistics and visualisation and statistical computer programmes SPSS and R

Knowledge of programming languages Java and Prolog

2007-2008 Member of Educational Committee, Behavioural and Cognitive Neurosciences.

2005-2006 Youth soccer trainer and coach (Groninger soccer club 'SV Lycurgus').
